

Smarter technology for a smarter planet:

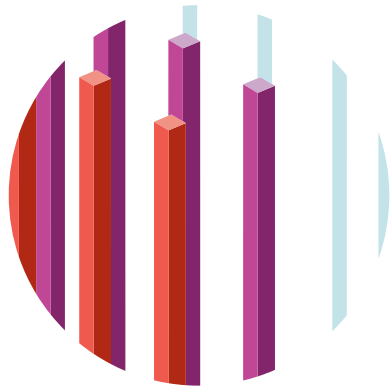

Join us at the 2010 IDS Roadshow

We are delighted to invite you to attend the 2010 IDS Roadshow which will be held throughout May.

We've planned an exciting program for all involved in Informix Dynamic Server offering you numerous opportunities to gain fresh, innovative ideas to optimise your business performance and create competitive advantage. The 2010 IDS Roadshow also offers you a very personalised experience addressing your individual needs and business challenges.

We look forward to seeing you at the 2010 IDS Roadshow so that together we can learn how to create a Resilient, Agile and Invisible IDS system!
